NEXUS System Notes

All events are managed through the NEXUS Festival Platform v3.2.1. Venue assignments are subject to change based on real-time capacity monitoring. For live updates, check the NEXUS Festival Hub or contact a volunteer with a blue lanyard.

The NEXUS maintenance window at 21:00 on Day 1 is a routine scheduled operation (about 15 minutes). Badge validation, lighting control and media display continue via the AETHER continuity protocol during downtime.
